West London Line Weekend Services

On Saturdays the Southern WLL timetable has been changed to provide a generally hourly Milton Keynes to East Croydon service for most of the day. After about 1900 on Saturdays and all day on Sundays the service operates between Watford Junction and Clapham Junction only, (with connections to Milton Keynes and East Croydon). London Overground services operate every half-hour between Clapham Junction and Willesden Junction throughout both Saturdays and Sundays. However, services on the WLL and elsewhere may be altered due to engineering works, especially at weekends – please check before travelling.
